2 BACKGROUND AND CONTEXT

2.1 On 15 March 2020, the Minister of Co-operative Governance and Traditional Affairs (“**COGTA**”) declared a State of National Disaster in the Republic of South Africa which declaration was published in Government Notice No. 313 of Government Gazette No. 430096.

2.2 On 18 March 2020, the Minister of COGTA issued regulations (“**Disaster Management Regulations**”) published in Government Notice No. 318 of Government Gazette no. 43107, regarding the steps necessary to prevent an escalation of the disaster or to alleviate, contain and minimize the effects of the disaster. These regulations were made in terms of section 27(2) of the Disaster Management Act, 1957 (Act No. 57 of 2002) (“**Disaster Management Act**”). Paragraph 10(6) of the Disaster Management Regulations (“**Disaster Management Regulations**”) authorised the Minister of Trade and Industry to, *inter alia*, issue directions to protect consumers from excessive, unfair, unreasonable or unjust pricing of goods and services during the national state of disaster.

2.3 On 19 March 2020, the Minister of Trade and Industry published the Consumer Protection Regulations. The purpose of the Consumer Protection Regulations is to promote concerted conduct to prevent an escalation of the national disaster and to alleviate, contain and minimise the effects of the national disaster and to protect consumers and customers from unconscionable, unfair,

unreasonable, unjust or improper commercial practices during the national disaster.

2.4 In relation to excessive pricing, the Consumer Protection Regulations states the following:

"4. Excessive Pricing.

4.1. In terms of section 8(1) of the Competition Act a dominant firm may not charge an excessive price to the detriment of consumers or customers.

4.2. In terms of section 8(3)(f) of the Competition Act during any period of the national disaster, a material price increase of a good or service contemplated in Annexure A which –

4.1.1. does not correspond to or is not equivalent to the increase in the cost of providing that good or service;
or

4.1.2. increases in net margin or mark-up on that good or service above the average margin or mark-up for that good or service in the three-month period prior to 1 March 2020.

is a relevant and critical factor for determining whether the price is excessive or unfair and indicates prima facie that the price is excessive or unfair."

2.5 Annexure A lists the goods and services that fall to be regulated by the Consumer Protection Regulations.

A handwritten signature in black ink, appearing to be 'B. R.', is located in the bottom right corner of the page.

2.6 On 23 March 2020, the President of the Republic of South Africa announced the enforcement of a nationwide lockdown for 21 days with effect from midnight on Thursday, 26 March 2020.

2.7 On 3 April 2020, the Tribunal Rules for COVID-19 Excessive Pricing Complaint Referrals were published and thereafter, on 6 April, the Tribunal Directive for Covid-19 Excessive Pricing Complaint Referrals was issued.

3 THE COMMISSION'S INVESTIGATIONS AND FINDINGS

3.1 During April 2020, the Commission received information in terms of section 49B(2)(a) of the Competition Act, against Seaside Pharmacy alleging that it was charging inflated prices for hand sanitizers and facial masks in March 2020.

3.2 Hand sanitizers and facial masks fall under the category of 'medical and hygiene supplies' in Annexure A as well as item(s) 1.2 and 1.3 of Annexure B of the Consumer Protection Regulations, respectively. Regulation 4 of the Consumer Protection Regulations is therefore applicable to the conduct described in this Consent Agreement.

3.3 In terms of Section 7(3) of the Act, market power can also be inferred from the economic behaviour of the firm. The mere ability to raise prices is indicative of market power as it demonstrates a lack of

constraints such that there is an ability to control prices and/or behave independently of competitors and customers.

3.4 States of disaster often provide the conditions for temporary market power to be held by market participants that may not otherwise have market power outside of the disaster period. The removal of constraints may occur for several reasons, many of which are conceptually related to a narrowing of the geographic market for products as a result of disruptions to the normal functioning of markets. Due to the national lockdown, the scope of the geographic market is narrow as citizens' movements are heavily restricted.

3.5 In a state of national disaster, an established test within the assessment of excessive pricing under the Act is determining whether price increases have a corresponding cost justification. This is because an excessive profit margin is detectable if the ordinary prices are increased materially absent cost increases.

3.6 Following receipt of the information, the Commission conducted an investigation into Seaside Pharmacy's alleged conduct and found the following:

3.6.1 Seaside Pharmacy is located in the Western Cape and operates in the market for the supply of pharmaceutical products to consumers in the Table View area of the Western Cape;

3.6.2 Seaside Pharmacy has market power in the abovementioned market, given the current pandemic and state of national disaster;

3.6.3 Seaside Pharmacy's average cost mark-up for sanitizer during March and April 2020 was [REDACTED] which is equivalent to a gross profit margin of [REDACTED]

3.6.4 Seaside Pharmacy's average cost mark-up in respect of the facial masks during March and April 2020 was [REDACTED] equivalent to a gross profit margin of [REDACTED] and

3.6.5 Seaside Pharmacy only started selling hand sanitisers and face masks in March 2020, due to the sudden demand and panic-buying brought on by the national state of disaster;

3.6.6 In respect of hand sanitizer, Seaside Pharmacy sold a total of [REDACTED] units of hand sanitizers during March and April 2020, achieving a total revenue of [REDACTED]

3.6.7. In respect of facial masks, Seaside Pharmacy sold a total of [REDACTED] units of facial masks during March and April 2020 and achieved a total revenue of [REDACTED] as a result.

3.7 The Commission found that the average cost mark-up of [REDACTED] and gross profit margin of [REDACTED] in respect of hand sanitizers; and further an average cost mark-up of [REDACTED] and gross profit margin of [REDACTED] in respect of facial masks, in March and April 2020 by Seaside Pharmacy may amount to a contravention of section 8(1)(a) of the Act read together with Regulation 4 of the *Consumer Protection Regulations*.

4 AGREEMENT REGARDING FUTURE CONDUCT

Seaside Pharmacy, agrees to:

- 4.1 immediately desist from the excessive pricing conduct described above;
- 4.2 reduce its gross profit margin on facial masks and hand sanitizers to 20% or less with immediate effect for the duration of the national state of disaster;
- 4.3 to donate, within 7 calendar days of the date of confirmation of this Consent Agreement as an order by the Tribunal, an amount of R 4 168.00 .00 (four thousand one hundred and sixty eight Rand alone) in the form of a cash donation to the Solidarity Fund using the following bank account details:

- 4.4 within 7 calendar days of confirmation of this Consent Agreement as an order of the Tribunal, submit an affidavit under oath by a duly

authorised representative of Seaside Pharmacy, testifying that the abovementioned donation has been made. **Proof of payment must also be sent to collections@compcom.co.za. Please include this case number 2020APRC0393 in the subject line;**

- 4.5 develop, implement and monitor a competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Act. In particular, such compliance programme will include a mechanism for the monitoring and detection of any contravention of the Act;
- 4.6 to submit a copy of a compliance programme to the Commission within 60 business days of the date of confirmation of the Consent Agreement as an order by the Tribunal; and
- 4.7 to circulate a statement summarising the content of this Consent Agreement to all management and operational staff employed at Seaside Pharmacy within 7 calendar days from the date of confirmation of this Consent Agreement by the Tribunal and notifying the Commission by submitting an affidavit under oath by a duly authorised representative of Seaside Pharmacy, confirming compliance with this undertaking.

5 FULL AND FINAL SETTLEMENT

This Consent Agreement, upon confirmation as an order by the Tribunal, is entered into in full and final settlement and concludes all proceedings between the Commission and Seaside Pharmacy relating to any alleged contravention of section 8(1)(a) the Act read together with Regulation 4 of the *Consumer and Customer Protection and National Disaster Management Regulations and Directions* published in Government Gazette No 43116 on 19 March 2020 that is the subject of the Commission's investigation under Commission Case No. **2020APRC0393**.

Signed at JABVIEW on this the 30 day of April 2020.
