In the matter between:

GLOPIN (PTY) LTD

Plaintiff

(Respondent in the application for leave to appeal)

and

KEYHEALTH MEDICAL SCHEME

Defendant

(Applicant in the application for leave to appeal)

JUDGMENT: APPLICATION FOR LEAVE TO APPEAL

AC BASSON, J

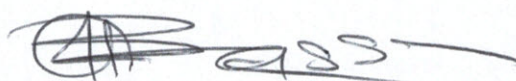

[1] This is an application for leave to appeal against the order and judgment of this court dated 8 August 2019.

[2] I have considered the grounds upon which the application for leave to appeal are founded and I am persuaded that the applicant has reasonable prospects of success on appeal and the application is therefore granted.

[3] Despite the fact that it was submitted that the matter should be heard by the Supreme Court of Appeals, I am not persuaded that the issues raised in this application and the judgment warrants a referral to the Supreme Court of Appeal. Leave is therefore granted to the Full Bench of this Division.

Order:

The application for leave to appeal is granted to the Full Bench of this Division. Costs are costs in the appeal.

A handwritten signature in dark ink, appearing to read 'AC Basson', is written over a horizontal dashed line.
