MHLONGO AJ

- [1] This application in terms of Section 166 of The Labour Relations Act<sup>1</sup>, is for Leave to Appeal against a final decision of the Court dated 26 June 2014 in this matter.
- [2] Grounds of appeal have been outlined by the applicant. The first respondent opposed this application.
- [3] I have applied my mind in all submission made regarding this application and concluded that I do not find that there are reasonable prospects of another court coming to a conclusion materially different from the one reached by this Court due to the lack of substance on the grounds for the appeal.

4.1 the applicant for Leave to Appeal is dismissed; and
